[redacted] your future monetary entitlement was flagged by our disbursement department. The system indicated you could potentially be entitled to thousands of dollars.

*We offer many customers, upon execution of an agreement in connection with the assignment (the "Transaction"), the option to request an advance on purchase price that will be paid to them at final funding. No fees or interest are charged if advances are provided to customer and the customer agrees that the purchase price will be reduced by the amount of any advance(s) provided. This service is void where prohibited by state or local laws. This is not an actual check but represents the amount you may qualify for as an advance. Subject to guidelines, you can get an advance or a lump sum purchase amount in as little as 24 hours from execution of requisite documents in connection with Transaction. This advance is given at our sole discretion and this offer may be revoked without notice. You may not qualify for an advance in the amount shown on the attached check. Amounts referred herein are by way of example and your ability to receive upfront cash and lump sum will differ. We are not associated with any governmental body. We are a private company.
