

STATE OF IDAHO
OFFICE OF THE ATTORNEY GENERAL
LAWRENCE G. WASDEN

SEPTEMBER 2009
NOTICE TO IDAHO LICENSED STAMPING AGENTS¹

As required by Idaho's Tobacco Master Settlement Agreement Complementary Act ("Complementary Act"), codified at Title 39, Chapter 84, Idaho Code, the Office of the Attorney General has published the Idaho Directory of Compliant Tobacco Product Manufacturers and Brand Families (Directory) listing tobacco product manufacturers and brands that are fully compliant with Idaho law. The Directory, which is published on the Attorney General's website, lists all compliant tobacco product manufacturers and the brands and brand families of the respective manufacturers which have been certified by the Attorney General as being fully compliant with the law. **Only those brands and brand families listed on the Directory can be stamped, offered for sale, possessed for sale or sold in Idaho.**

Licensed Idaho Stamping Agents who sell, stamp, possess for sale, offer for sale, import, transport, own or possess a brand which is not listed on the Directory will be subject to those penalties detailed in Idaho Code § 39-8406. Each such sale, offer for sale, importing, possessing or stamping of a brand not listed on the Directory shall be deemed a separate violation. The penalties that may be assessed include:

1. civil penalty not to exceed the greater of 500% of the retail value of the cigarettes sold, or \$5000;
2. license suspension or revocation; seizure, forfeiture, and destruction of contraband products;
3. injunction on the sale of contraband products;
4. prosecution for engaging in unfair and deceptive trade practices; and
5. award of costs of investigation, expert witness fees and reasonable attorney fees; and surrender of any profit, gain, or benefit from any violation.

FSC Law: Effective April 1, 2009, only reduced ignition propensity (fire standard compliant or FSC) cigarettes can be sold in Idaho. The Idaho State Fire Marshal's Directory of Fire Safe Cigarettes is published on the Idaho Department of Insurance website.

¹ Idaho law defines "Stamping Agent" broadly, to include a person who:

(1) is authorized to wholesale cigarettes in Idaho; or

(2) is required to affix Idaho tax stamps to packages or other containers of cigarettes under Title 63, Chapter 25, Idaho Code; or

(3) pays an Idaho tobacco products tax on roll-your-own tobacco.

This definition includes ALL wholesalers, distributors and retailers of tobacco products who possess a cigarette and/or OTP (other tobacco products) permit.
