RE: Notification of Potential Data Exposure

Attorney General Labrador:

We understand you have been contacted by a member of the public indicating the City of Boise had a data security lapse. We are writing to inform you that we are investigating this matter and will respond accordingly. The City is diligently working to investigate the cause of any potential exposure and will work with any third parties to ensure any potential matter is resolved.

For further information or to advise, please contact me at (208) 972-8002.

Sincerely,

Alexandra Winkler
